Indiana Wesleyan University - Experience Indiana Career Fair - March 15, 2017 1pm -4pm - Marion Indiana

Residential Campus. Attended by Promotions Director and Sales Resource Coordinator

6 resumes were collected. Around 35 companies participated.

(b) Initiative: Internship Program

The Employment Unit's internship program is a paid opportunity for students who are interested in a broadcast career. The station's program is coordinated by our Promotions Director. Information about our internship program is handed out at job fairs. Interested students submit their resume. The students are then invited for interviews. The radio station looks for students willing to work in all areas of the company and the student looks at the station to see if they can benefit themselves based on the program offered. Typically, the students receive credit for the internships, and are required to work at the station a minimum number of hours. The Promotion Director organizes the students' schedules. The students will spend time in promotions, programming, sales, and administration. The schedule includes: Promotions: proposals, remotes, events, calendars, prizes; Programming: observe in studio during live show, assist with show prep; News Dept: monitoring news websites, reading script, write their own stories from press releases; Sales: One day client visits, sit in on brain storming meetings; Administration one day answering phones, greeting guest, handing out prizes. Most area college internship programs include a mid-semester and end-of-semester evaluation.

The Employment Unit had 7 interns from May 2016 to August 2016 and 1 intern from September 2016 to December 2016 with a total of 1,396 hours of total training from the following institutions: 3 from Ball State University, 2 from Indiana University, 1 IUSB, 1 from IPFW, and 1 from Homestead High School FW

(c) Initiative: Internet Program

The Station Employment Unit (SEU) participates in an internet program designed to promote outreach generally. The SEU is a partner in a regional job web site, fortwaynehelpwanted.com. The SEU uses commercial inventory to drive job seekers to the web site. Job Seekers may utilize the General Career Advice, Online Resume Builder, and also take a career test to help determine careers that best suit them. Job seekers may also surf the site for job opportunities posted by area businesses. This program was kicked off in May 2003 and is still active.
